**July 11th, 2024**

Rain date: July 25th, 2024

4:00 PM: Qualifying Begins

6:30 PM: Finals Round Begins

## How the contest works:

- Qualifying swings begin at 4 PM.
- All contestants who received swings with their sponsorship or purchased qualifying swings will swing toward hole nine at Black Rock Golf Course.
- The qualifying hole will be approximately 130-140 yards.
- The top 15 finalists closest to the pin will advance to the final MILLION DOLLAR SHOT round to shoot at a hole of 165 yards for ONE MILLION DOLLARS!
- A 16th finalist position will be awarded in a raffle, guaranteeing the winner a swing in the final round.
- **The final MILLION DOLLAR SHOT round begins at 6:30 PM.**
- All finalists will return to the teeing ground to attempt one final shot regardless of how many of their qualifying shots land closest to the pin for a hole-in-one.
- Prizes will be awarded to the three closest contestants to the hole in the qualifying and final rounds (six prizes).
- The \$1,000,000 top prize will be paid as a 40-year annuity only.
- Insurance for the hole-in-one shot requires a Club Pro and witnesses to be present and record every finals swings.
