ALICE IN WASHINGTON COUNTY

ALICE is an acronym for **A**sset **L**imited, **I**ncome **C**onstrained, **E**mloyed – households that earn more than the Federal Poverty Level, but less than the basic cost of living for the county. While conditions have improved for some households, many continue to struggle, especially as wages fail to keep pace with the rising cost of household essentials (housing, child care, food, transportation, health care, and a basic smartphone plan). Households below the ALICE Threshold – ALICE households plus those in poverty – can't afford the essentials.

The Labor Landscape is Challenging for ALICE Workers

A small portion of adults (16 years and older) in Washington County were unemployed and a large number were working in 2022. However, a substantial portion of both full and part-time workers are paid by the hour; these workers are more likely to have fluctuations in income and less likely to receive benefits.
